SPRING, 1922
FOREST NURSERY COMPANY
BOYD BROS

GROWERS AND COLLECTORS OF
FOREST AND SHADE TREES
AND ORNAMENTAL SHRUBS
McMINNVILLE, TENNESSEE

TERMS OF SALE

ORDERS—Write plainly and give explicit directions as to address and mode of shipment; otherwise we will forward according to our best judgment. All goods travel at purchaser's risk. We assume no responsibility for the goods after delivery to the forwarding companies.

We use every care to secure prompt delivery, but we are not liable for delays or damage in transit. Our responsibility in this respect ends upon delivery in good order to transportation company, but we will gladly render all the aid we can in case claim becomes necessary.

CLAIMS. To receive consideration, must be made within ten (10) days of receipt of goods.

GUARANTEE—We are very careful to keep each variety true to name as labeled, and are ready at any time to replace, on proper proof, any that may prove otherwise, free of charge, or refund the amount paid, but it is mutually agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

TERMS, CASH WITH ORDERS, except to such persons as satisfy us as to their responsibility. All bills are due 60 days after date. Interest will be charged at the rate of six per cent on bills unpaid December 1 in fall and June 1 in spring.

A Certificate of Inspection will accompany each shipment.

Boxes and bales will be charged for at cost.

No charge for boxing and packing where cash accompanies order.

Most collected seedlings, such as Maples and some others, except large size, are crooked near ground and should be cut back to crown before transplanting. They grow up straight, smooth and much faster and quicker than when planted without cutting back. We cut back all seedlings to crown before transplanting.

Evergreens are pulled in the mountains; will only be collected on damp days. Orders will be booked subject to us being able to have them collected. They should always be shipped by express.

We want about 200 lbs Barberry Thumbergii seed, also about 100 M each Amoor River North Privett, Spirea Van Houttii and Weigelia cuttings in varieties, also a variety of other seeds and cuttings. Send us a list with best prices of what you will have to offer.

We are in position to grow some cuttings on contract for the season 1922 and 1923 delivery. If you have any surpluses on hand and wish to let out on contract to be grown next season, we shall be very glad to correspond with you in regard to growing for you. We are also booking orders for season 1922-23 delivery and will be glad to name you prices on any items which we will have to offer.

We value your good opinion, and appreciate your orders, and assure you we are ever ready to make good a mistake and uphold our obligations. Our policy is broad and liberal, and we guarantee to handle your order in the most satisfactory way possible and send you stock worth the money. Thanking one and all for the business given us in the past, and will very much appreciate any new business given us.
